Set in the Mijas mountains, just minutes from El Higuerón beach and with immediate access to the A-7 motorway, this property offers the perfect balance of privacy, contemporary design, and convenience. This is a secure residential complex made up exclusively of detached villas, featuring controlled entry with automated gates and surveillance cameras—ensuring privacy, tranquility, and a privileged setting surrounded by pine-covered mountains and open views of the Mediterranean Sea. Currently in the project phase with a granted building license, construction will begin immediately upon sale. The villa blends contemporary architecture with noble materials and clean lines, creating a timeless design that integrates seamlessly with the natural surroundings. Designed for both everyday living and holiday enjoyment, the villa is spread over three well-connected levels: On the garden level, a stylish entrance with pergolas for vehicles leads to a spacious double-height foyer, an airy living room with large windows, an open-concept designer kitchen, guest toilet, one en-suite bedroom, and a landscaped garden with pergola-covered areas ideal for outdoor dining and relaxation. Upstairs, two main en-suite bedrooms—one on each side of the house—boast panoramic views of the sea and mountains. The lower level features a large multipurpose basement, perfect for a home cinema or games room, along with two additional bedrooms with bathrooms, a laundry area, utility room, and generous storage spaces. This villa is more than a house — it's a way of life. A serene, elegant, and functional home, ideal for those who appreciate quality, design, and a strong connection to nature, without sacrificing proximity to amenities, shops, beaches, and the airport.
