Overview:GREAT OPPORTUNITY, very bright apartment and very spacious. The terrace is facing east, it is large, with unobstructed views and it is also very special because it has a handmade picnic bench, fantastic to eat both in summer and in winter since it gets full sun and it is very pleasant. The distribution of the house is 2 double bedrooms with very large wardrobes, a bathroom with a very nice customization, and a kitchen where it is possible to eat as it is spacious. The apartment has been recently renovated, and is in impeccable condition. Do not hesitate to contact us for any further information. ARC
