The entrance of the house takes you to the main floor which has two bedrooms, two bathrooms, private dressing rooms and terraces. This side of the house is connected to the pool shared with the main villa. The living room and dining room are located on the lower level. There is a separate dining room and living room, as well as a spa room. The top floor of this smaller villa has the master bedroom with a huge bathroom, dressing room and sitting room. It also has a large terrace that allows you to see impressive panoramas.

Annex The last house on this incredible ranch is actually an annex considered to be staff apartments. There are three apartments, one in the lower part and two in the upper part. The house is surrounded by lush mature tropical gardens with huge lawn areas, an oversized private pool with terraces and sundeck, private garage parking and driveway parking.
