Overview: A delightful recently refurbished single level villa situated in a prime location in San Pedro de Alcantara only a 5 minute walk to increasingly popular Boulevard and town centre and approximate a 15 minute walk to the beach. The property is one of the original villas build in the area dating back to 1967 and owned by the same family. It is distributed on one level and offers a large open plan family kitchen and generous sizes lounge which both have new double glazed patio doors leading to the pool area. The kitchen is new and the lounge has had the first place removed but one could be installed again. There are 4 double bedrooms which are all en-suite. The property has a 2 cars garage and off street parking for 1 other vehicle. The property is nicely reformed and ready to move into but could also benefit by adding a bedroom suite upstairs if the new owner wanted to use the property as a project.
