Overview: This spacious and bright apartment is located in the heart of San Pedro de Alcántara, just a few minutes' walk from the beautiful city centre, so it is easy to access all the services, shops, supermarkets and exquisite restaurants offered by this already consolidated urban nucleus. The apartment has a good distribution and orientation towards the afternoon sun with wonderful views from its three balconies, clear to the mountains. The distributor landing of the entrance connects us with the kitchen and the main living room. In addition, this spacious apartment, has 3 bedrooms, on one side of the living room, we find the master bedroom with balcony and en suite, on the other hand, the other 2 bedrooms (one of them also has a small balcony) are located on the other side of the living room and have access to a bathroom nearby. It also has a kitchen-dining room with a storage room, as well as an underground parking space. The qualitative characteristics of the building make it a very comfortable and tranquil place to live or come on vacation, since we hardly find steps (not even in the parking) to enter or leave and at the same time it is very practical for its unbeatable location. Consult us for more details and if necessary, organize a visit to the property.
