Overview: Duplex Penthouse in Pueblo Altos de Los Monteros PANORAMIC SEA VIEWS AND DOUBLE PARKING & TRASTEROS Discover this exceptional duplex penthouse in the charming Andalusian-style village of Pueblo Altos de Los Monteros, offering spectacular panoramic sea views from both levels. The home features 3 spacious bedrooms, each with direct access to a terrace, along with 3 full bathrooms and a guest toilet. The generous terraces on both floors invite you to enjoy Marbella's sunrises and sunsets, while the south to southeast orientation ensures natural light all day long. Set in the most desirable block of the community, this penthouse combines Andalusian charm with modern upgrades such as electronic blinds and a new aerothermia system for efficient heating and cooling. Practicality is matched with convenience, offering two private parking spaces and two storage rooms (trasteros). This is more than a property—it's a home to be experienced. A perfect blend of comfort, charm, and panoramic beauty.
