Описание:La Fuente is an amazing development of modern villas which is offered as the only option for those that wish to live in the heart of the city, but with the peace and security of a luxury complex. Only 15 Mediterranean villas at the heart of the Golden Mile, designed with big windows and large terraces where you will be able to enjoy the sun and the outdoor lifestyle that Marbella offers. La Fuente boasts the best contemporary style, the latest technologies and luxury finishings: Porcelanosa, Gaggenau, are just some suppliers. Villa number four is one of the best villas at La Fuente due to its privileged position, at the highest part of the complex, with nice open sea and mountain views from solarium and partial views from groundfloor. On top of that it will be finished providing the Platinum package from the developer with Cinema room, Gym, plunge pool at the solarium and all the extras you can imagine with top quality. It really is an opportunity from an investment and lifestyle point of view. MUST BE SEEN !
